KICO UPDATE

Finally some real progress in establishing Kingdom Impact Centre Oviston!

Having a live-in caretaker has put a stop to the senseless vandalism and destruction. We decided to prioritise the room for the “Learning Centre” and it is now only a matter of days before that will be operational. It is an absolute thrill to see the dream unfolding!

Learning Programme

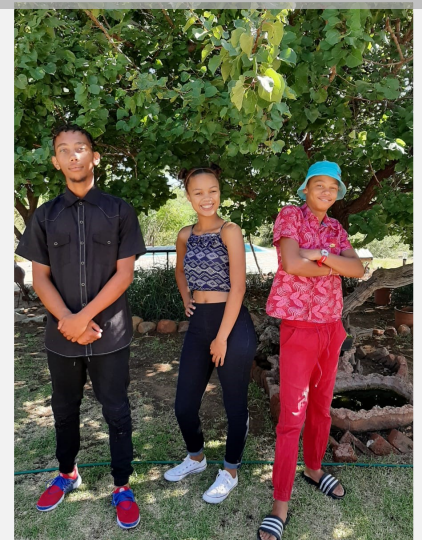

We have “officially” started with the Learning Programme!

The decision was made to start small and gradually expand, so we kicked off with these three very keen and eager young people.

We cannot wait for the *Learning Centre* to be up and running!

Revaldo, Chante and Ethan hard at work with their studies

YWAM OUTREACH

It has been an enormous blessing having Linky, Lena and Josiah from *Youth With A Mission* (East London base) with us on the second leg of their outreach. Their presence has given us a major boost in getting work at KICO rolling and outreach into Oviston.

WELCOME, ROYALTY!

With great excitement and gratitude we welcome the latest addition to our family! After a very difficult period in labour and eventually an emergency C-section, baby Royalty was born on 28 January.

On behalf of Shoallyn, Sandy and the entire family a massive THANK YOU to everyone who stood with us in prayer.

Kingdom Impact SA

Vision:

to see the Kingdom of God manifest "On earth as it is in heaven..."

Mission:

to inspire faith, hope and love by Reaching entire communities with the Gospel, Raising leaders, and Releasing ministry to impact all aspects of society

THANK YOU!

The generous encouragement and support of precious friends enable us to keep on keeping on!

For that we are eternally grateful.

We continue praying God's abundant favour and blessing on every aspect of your life!

Andy, Rose & the whole Jesus-Freaked Freeks bunch!
