## THANK YOU!!

What an exhausting, but amazing time in Bedford, England! It was fantastic to catch up with so many friends and our hearts were filled with such warmth and a fair bit of nostalgia.

A huge *thank you* to all who played a part in making the trip possible and for a very special time. We were thoroughly spoiled and will always look back on our visit with very fond memories.

Although the weather did not play along, the warmth and hospitality shown to us made us feel completely at home. From a BBQ in a lush, green field to a lovely time at Zak and Abby's

wedding to even our own "private palace", we totally felt like royalty.

We had quite an eventful return trip. Rose struggled with a very painful knee so the train journey from Luton to Gatwick was a real challenge with four heavy suitcases.

After a fourteen hour flight we just wanted to get home. However, a car breakdown caused what was supposed to be a less than 4 hour trip from Johannesburg to Bloemfontein to last 8 hours. We eventually got home more than 48 hours after departing from Gatwick.

*BBQ time!!!*

*Thank you Brenda and Clare for our palace!!*

## KINGDOM IMPACT CENTRE OVISTON

We finally have full ownership of our very first Kingdom Impact Centre! Hallelujah! After a frustratingly long and drawn out process we can now focus on fixing up the place.

Some of the greatest needs in and around Oviston exist

in the areas of employment and education. We are currently preparing for a Study Programme to offer the large number of out-of-job and out-of-school individuals an opportunity to raise their skill levels.

There are also plans in

place to train unemployed young people to make furniture with re-used pallet wood.

**Prayer Point:** We need to raise R85,000 to renovate the place and have services like water and electricity restored to it.

## OUTREACH TO SCHOOLS AND SURROUNDING TOWNS

In the midst of what has been perhaps the most difficult time for us we focused a lot on reaching out to some schools and surrounding towns. The brokenness and need in the whole region served to highlight and powerfully confirm why God has brought us to Oviston.

Through *Leadership Camps, School Assembly*

meetings, and shows in community halls and church buildings we will continue sowing the seed of the Gospel of Jesus Christ, reaching this generation to impact the next.

**Prayer Points:** 1. There is 2. a decent PA system.

## OVERCOMERS 2019 YOUTH CAMP

After a hugely successful youth camp in 2018 it was a no brainer for there to be another one this year.

“Overcomers 2019” will take place from 4 to 7 July. The theme is **Identity** and we believe God wants to deal with every lie the enemy has used to distort young people’s perception of Him and

themselves. Our prayer and desire is for God to use this year’s camp to ignite such a huge fire in each of these young people that, when they return home, the Holy Spirit would work through them to powerfully impact and transform entire communities.

People from five towns have signed up for the

camp. We even have a small team from YWAM East London coming to serve!

**Prayer Points:** For God to break through in every young life. For all demonic strongholds to be completely demolished. For Holy Spirit fire to be ignited in every heart and to spread all over the region and beyond.

“Before I shaped you in the womb, I knew all about you. Before you saw the light of day, I had holy plans for you...”  
Jeremiah 1:5

## IMPACTING MARRIAGES

Amazingly we now have a lovely godly couple to be our main speakers for

our **Marriage Seminar from 2 to 4 August.**

**Prayer points:** For our speakers. For the right people to come to the Seminar. For strong, healthy marriages.

## TO SUMMARISE

We invite you to stand with us both in prayer and financial support as we continue into the next phase of this exciting journey. We face spiritual opposition both in our business and ministry at this time. The business is only generating sufficient income to live on during the “summer” months of December and January! We have already mentioned ministry needs.
