## RESURGENCE!

The Resurgence has begun!  
**Resurgence** is a residential Discipleship & Life Skills Training programme.

This 3 Month Programme aims to offer an intensive boot-camp experience; connecting young people with God's vision and purpose for their lives; equipping them to return to their families and communities to make a difference through the Gospel in the power of the Holy Spirit.

We have 11 young people enrolled for the current programme which runs from 11 June to 10 September 2021. These young men and women are from five different towns and most of them come from disadvantaged families. Some have been addicted to drugs for years and almost all of them trapped in a life of hopelessness with very little chance of escaping.

The very first week of **Resurgence**

saw a young man, who was addicted to drugs for more than three years, inviting Jesus into his life to be his Lord and Saviour and set free completely.

Four others recommitted their lives to Jesus.

**It's A New Day!**

Drugs. Crime. Gangs. Rejection. Abuse. Rape. Violence. Hopelessness. No Vision. No Future. That is the **NORMAL** reality for most **kasi** (black and coloured township) children

and youth!

**Feeding Body, Soul and Spirit**

Although we are only into the third week of the Programme, our hearts overflow with gratitude, excitement and hope.

The task is daunting and resources limited, but God's love and grace **can** transform communities — one young life at a time!

# THANK YOU!

The Resurgence program started off with a bang!

During the very first week we witnessed God setting two young men free from drug addiction. Through prayer and spiritual warfare both of them went through the throes of withdrawal with fairly mild effects. One of the most amazing things was arranging for these young men to meet with their parents to ask and receive forgiveness.

Several others were delivered from addiction to cannabis and tobacco.

We stand amazed at how God has surpassed even our wildest expectations. The astounding support of friends and family enabled us to make a great start to the program.

Our plans to raise funds through, amongst others, talent shows and performances were, however, dealt a severe blow with the stricter lockdown regulations prohibiting all gatherings.

Please pray with us:

- ◆ For lasting spiritual fruit in the lives of these 11 young people
- ◆ For God's ongoing financial provision
- ◆ For protection against all the schemes of the enemy.
